HERITAGE: DRIVER & ENABLER OF SUSTAINABILITY

IMPLEMENTING
THE NEW
URBAN AGENDA

Culture, Nature, Heritage, Cities: Case Studies on Localizing the SDGs

Saturday, February 10, 2018, 17:00-18:00

KLCC, Room 403

How are culture and heritage harnessed to achieve sustainable urbanism?

How do local actions for the valorization of cultural heritage, integrated with natural heritage, serve to achieve the SDGs and the New Urban Agenda?

Examples and insights from international organizations, local governments and experts on connecting of policy and local implementation.

Moderator: Ege Yildirim, ICOMOS Focal Point for the SDGs (Turkey)

Speakers:

- Dorine Dubois, Head of Partnerships Unit, Culture Sector, UNESCO (France)
- Noorhanis Bt Haji Noordin, Director of Heritage Department, Penang City Council (Malaysia)
- Santiago Orbea, Coordinator for Historic Center Plan, Quito Municipality (Ecuador)
- Donovan Rypkema, Director, Heritage Strategies International (USA)
- Lassana Cissé, Heritage Expert (Mali)
